

COVID 19 POLICIES

Pursuit Health Management continues to adhere to Ministry of Health COVID 19 directives to protect patients, staff members and their families.

Any patients reporting COVID 19 symptoms will have their appointment rescheduled.

Clinic: We are operating under normal business hours and following these procedures:

- **We will do a COVID 19 pre-screen the day prior to your initial visit.**
- **Patients must wait in their vehicles in the parking lot until contacted**
- **All patient visits will include a COVID 19 pre-screen, temperature check, and use of hand sanitization**
- **Patients must wear face masks for the duration of their treatment**
- **All clinicians will wear masks, use gloves where appropriate and thoroughly sanitize all equipment between patient visits**
- **Virtual sessions remain an option should the patient request**
- **Washroom access is restricted**

Community Staff: Our Occupational Therapists, Case Managers, and Social Workers offer virtual and in home assessment/treatment. We will follow these procedures:

- **A COVID 19 pre-screen will be undertaken the day prior to and day of the session, involving the client and other household residents**
- **Clients should wear masks and social distance where appropriate**
- **Staff will wear masks, use gloves where appropriate and offer to meet inside or outside your residence**
- **All equipment will be routinely and thoroughly sanitized**

We will constantly monitor the evolving government regulations and have our business practices reflect these changes. Please contact us at 1-877-488-3771 or info@pursuithealth.ca with any questions.

We appreciate your patience and understanding.
